ELECTIVES: 8 HOURS BY ADVISEMENT ♦			
ELECTIVES		8	
MINIMUM HOURS REQUIRED TO COMPLETE DEGREE		120	

AC Admission into the undergraduate program in communication disorders requires a **minimum 3.0 GPA**. Core classes must be completed, including CD 2374. The deadline to apply is April 1. Admissions are for fall only at this time. Contact the department for more information.

♦ The core curriculum must total **exactly 42 hours**; excess hours must be moved to the major as an elective or a major requirement and stay within the 120-hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available.

* Indicates prerequisites—see catalog for more information.

** While MATH 1332, 1342 and 1350 will fulfill core math requirements, they will NOT prepare students for higher-level math courses such as Plane Trigonometry (MATH 1316) or Pre-Calculus (MATH 2412).

*** Or an equivalent course (second year, second semester) in a foreign language.
 NOTE: At least 36 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU. A maximum of 60 semester hours in communication disorders, six hours in religion (REL) and six hours in physical education (PHED) can be counted toward a degree.

NOTE: This is NOT a degree plan. All undergraduate students must request an official degree plan from their academic dean's office by the time they have completed 30 credit hours.
