University Housing Requirement

WTAMU is committed to the success of each student. Because of this commitment, the University requires all full-time students (enrolled in 12 or more semester hours) under the age of 20 years to live in University housing during the first two (2) years following their high school graduation. This requirement is based upon high school graduation date, not academic standing based on credit hours.

If you fall under the University housing requirement and choose to not live on campus without an approved housing exemption, a housing charge of \$3000 will be added to your student account.

The housing contract is valid for one full academic year (fall/spring). Students that fall under the above requirement on the first class day of the semester of initial enrollment / re-enrollment (for each academic year) are required to fulfill their housing agreement for the entire academic year. Any exception to this requirement must be requested and approved through the Office of Residential Living.

For more information, visit: wtamu.edu/housing-requirement.

Meal Plan Requirement

The University requires all students residing on campus to purchase a meal plan (Silver Meal Plan (160) minimum), during the first two (2) years following their high school graduation.

Meal plans may be changed **through the Friday of the first week of classes each semester**, assuming the student qualifies for the selected meal plan. Meals plans can be increased at any time.

Application Process and Cancellation Deadlines

To apply, sign into your Buff Portal and click on **myHousing**.

Applications are processed in date order of completion. Assignments are based on the application completion date, which determines when the student will be able to choose their own room. If a student does not choose their own room by the established deadline, assignments will be made at random by the Office of Residential Living.

For more details on the application process, visit: wtamu.edu/apply-for-housing.

In order to receive a refund of the housing deposit, students must submit a cancellation request through their **myHousing Portal** **and** meet the requirement described in the housing contract.

Requests must be received **prior** to the following dates:

Fall – June 1	Spring – Dec. 15
Summer I – May 15	Summer II – June 15

All cancellations after these dates will forfeit their deposits, **even if a completed application was submitted after these dates.**

Cancellation Date	Cancellation Fee
Before August 1st, 2024	\$0
On or after August 1st, 2024 through August 14, 2024	\$500
On or after August 15th, 2024	\$1000

**Deposit refunds are mailed to the student address on file, unless direct deposit has been set up through the University Business Office, and may take up to six weeks to be processed.*

Housing/Meal Plan Exemptions

All exemptions to the University housing and/or meal plan requirements must be documented and approved by the Office of Residential Living.

The WTAMU housing contract is valid for one full academic year (fall and spring). All housing exemption requests must be submitted by **August 1**; students admitted to the University after this deadline may submit an exemption request up to the first class day of the semester. Meal plan exemption requests must be submitted no later than the last class day of the first week of classes. Students requesting an exemption after the above deadlines *will not* be released from their housing and/or meal plan contracts. Submission of requests **does not** guarantee approval; students will be contacted via WTAMU email regarding the approval/denial of an exemption request.

Exemption requests/additional information are available at the Office of Residential Living and their website. Students should not make arrangements to live off campus until approved by the Office of Residential Living. **Students without an approved exemption will be held responsible for room and/or meal charges.**

Please note that exemption processing takes a **minimum of three weeks**, assuming adequate information is submitted. The length of the review process depends on the type of request submitted, as well as the volume of previously submitted exemption requests.

Payment Options

Housing and Meal Plan charges are added to ONE student bill, on the same payment plan selected for tuition and fees, and is paid through the University's Business Office. The housing deposit (\$250) is paid electronically in the **myHousing portal** when the housing application is started. The deposit is not part of the residence hall cost and is separate and apart from any scholarships or financial aid received; therefore, it cannot be waived.

For more information on payment plans, visit: wtamu.edu/businessoffice
